Competition and Tension in the Arctic and High North

Map 0.1: Methods of Russian hybrid-warfare activity across Europe, January 2018–June 2025

Note: Energy and communications categories exclude Russian efforts to sabotage undersea cables and pipelines; these actions are counted in the undersea category.

Armenian Genocide 1915–1916

In 1915, Ottoman guards stripped Armenian women of their clothes during the death marches. The clothing was sold. The women kept walking. A survivor called it a column of the naked. Many died of exposure before they reached the desert.
